Noumea, December 20, 2021 - TotalEnergies will develop a series of photovoltaic and energy storage projects in New Caledonia in order to deliver decarbonized electricity via a 25-year renewable power purchase agreement (PPA) for the industrial operations of mining and metallurgy consortium Prony Resources New Caledonia.. Between 2022 and 2025, the ...

The under-representation of women in New Caledonian politics until the turn of the twenty-first century was profound. This was particularly acute for Kanak women, described by Berman as "token participants historically in the political affairs of New Caledonia" on the establishment of the Territorial Assembly of New Caledonia in the 1950s until 1999, there were ...
