

Is Austria a good place to get a master's degree?

With a rich history of highly ranked universities, low tuition fees and high quality of life, Austria is a top choice to pursue your Master's degree. Read on to learn the what, how, and when about getting a Master in Austria:

How much does a Masters in Austria cost?

Masters in Austria generally take 2 years to complete. There are a few exceptions of shorter programmes between 1 year and 18 months, mostly at private universities. At public universities, tuition fees are usually ca. EUR 750 per year for EU/EEA citizens and ca. EUR 1,500 per year for non-EU/EEA international students.

How do I apply for a master's degree in Austria?

Unlike some other countries, there is no centralised platform in Austria to apply for Master's programmes. Austrian universities each have their own online application processes where all documents must be submitted digitally. Refer to the respective university websites for step-by-step instructions on how to apply.

Why should you study a Masters in Austria?

Austria's historic universities reflect the country's centuries of cultural and intellectual achievement. A Masters in Austria will allow you to take part in this proud legacy, studying at internationally renowned universities in some of Europe's most beautiful cities. Why study a Masters in Austria?

How long does it take to complete a master's degree in Austria?

Make use of Austria's convenient location and visit other countries during your Master's programme - Germany, Czechia, Hungary, or Italy are popular destinations and worth a visit! Masters in Austria generally take 2 years to complete. There are a few exceptions of shorter programmes between 1 year and 18 months, mostly at private universities.

What language is used in a Masters degree in Austria?

The main teaching language at Austrian universities is German, but many Masters programmes are also offered in English. Will I need a visa to study a Masters in Austria? Students from the EU and EEA won't require a visa to study in Austria, but will need to register with the authorities upon arrival.

Not happy. Just heard that Solar Masters have cancelled my contract without any explanation. Waste of four weeks of my time. You try and deal with a reputable company and they sub it out to a bunch of shysters. BEWARE OF SOLAR MASTERS - THEIR SUBCONTRACTED CHINESE INSTALLATION TEAM IS AN ABSOLUTE DISGRACE TO YOUR COMPANY. SCAMMERS!
