Call us on 236-2447 or come by our warehouse at 1 Marsh Lane, Devonshire DV 06, Bermuda, to speak with our knowledgeable staff about what tires or batteries are most suitable for your motorbike, car, truck, jet ski or boat.. We stock only the best brands of tires and batteries, selecting our product range based on performance, durability and quality.

The problem is the crank/solar is used to charge an internal battery, and the internal battery only lasts a few years. The solar panels also have a pretty limited life. Mine got to the point where it would only work while I was actively cranking; as soon as my hand slowed down the radio went silent. Made it really hard to tune.
