Amendments to Bermuda's Trusts (Special Provisions) Act 1989 (the 1989 Act), passed by Bermuda's House

Bermuda bess firewall

of Assembly on 24 July, strengthen the jurisdiction's firewall provisions protecting trust assets from orders of a foreign court under foreign law.

Bermuda's firewall legislation applies to "Bermuda trusts" which is now defined to include trusts that are in part governed by Bermuda law as well as trusts that are wholly governed by Bermuda law; clarification that that Bermuda courts i.e. all courts of Bermuda (including appellate courts) have jurisdiction in respect of Bermuda trusts; ...

The simplification of Bermuda's firewall legislation has been achieved in the Amendment Act by providing for an exclusion of foreign law where appropriate as opposed to providing for a blanket application of Bermuda law subject to exceptions.

Vanessa Schrum reviews recent amendments to Bermuda's trust laws which are intended to modernise "firewall" provisions and restore a settlor's freedom of disposition with respect to children.

The amendments brought into effect by BVI and Bermuda are representative of a desire to ensure that the firewall legislation offers settlors, fiduciaries and practitioners (and indeed, the ...

Amendments to Bermuda's Trusts (Special Provisions) Act 1989 (the 1989 Act), passed by Bermuda's House of Assembly on 24 July, strengthen the jurisdiction's firewall provisions protecting trust assets from orders of a ...

Having seen the improved design of Bermuda's firewall, and the concept of firewalls in general, you may still ask yourself: just because a small island says that it protects its trusts from negative foreign interference, what is to stop the courts of a larger country from bullying a Bermuda trustee, say, into helping enforce an adverse ...
