What is bloombergnef tiering system?

7. Appeals 3 BloombergNEF has developed a tiering system for PV module products based on bankability, to create a transparent differentiation between the hundreds of manufacturers of solar modules on the market.

What makes a good Tier 1 manufacturer?

On the other hand, one of the characteristics of a tier 1 manufacturer is transparency and good data availability. A manufacturer can help us tier them accurately by sending us (at solartiering@bloomberg.net) data on the projects they have provided modules for, and the financing used to support these projects.

Are Tier 1 solar panels bankable?

For the purpose of internet indexing of common user search terms, we've used the term Tier-1 solar panels. Although technically incorrect, the aim of the article is to educate module purchasers that Tier-1 qualification is only a fraction of the considered bankability criteria towards determining selected project feasibility. 1.

What does 'bankability' mean in tiering a solar project?

Definitions 'Bankability' - whether projects using the solar products are likely to be offered non-recourse debt financing by banks - is the key criterion for tiering. Banks, and their technical due diligence providers, are extremely unwilling to disclose their whitelists of acceptable products.

What is bloombergnef & PV moduletech?

BloombergNEF includes shipment volume details of BNEF Tier-1 module makers for a nominated period. PV ModuleTech includes a pyramid tiering report of bankability scales such as AAA, A, BBB, B, CCC, C.

Tier 1 module manufacturers are those which have provided own-brand, own-manufacture products to six different projects, which have been financed non-recourse by six different (non development) banks, in the past two years.

Answering the question "is it a Tier-1 solar panel?" covers a broad scope of manufacturers in 2024. However, Tier-1 solar module manufacturer qualification is only a part of the question energy investors and financiers consider.

Scott Chen, VP of Global Sales and Marketing at Boviet Solar, remarked, "Maintaining our Tier 1 status
