

Can I install a quilt locker in the bedroom

Does a quilt rack take up a room on the floor?

It doesn't take up any room on the floor since it fits over a door. Ellen Taurins invented this clever quilt rack in her search for a better way to store quilts and blankets without climbing ladders and digging into storage boxes. After a trip to the home goods store and some serious DIY ingenuity, the early prototype of The Quilt Keeper was born.

Can a quilt rack be used outside?

If you want to air your quilts, you can move the quilt rack outside. It can be used as a drying rack after you have washed your quilt. You can use it in a living room to store lap quilts for those cold winter months. Quilts can get heavy depending on the fabrics and batting used so a flimsy rack is not going to cut it.

Why do I need a quilt rack?

There are a few reasons one might want to use a quilt rack: To store a quilt in a hanging position when not in use. For example, during the cooler months when you want to keep an extra quilt handy, you can hang it on a rack so that it is easy to grab on a cold winter's night. A quilt rack looks especially nice in a guest room.

How do I choose a quilt rack?

When buying a quilt rack online, look for the 'weight capacity' specifications. You will want to ensure that it has the capacity to hold the quilts and/or blankets you intend to hang. This is especially so if you are looking at towel racks.
