Smart grid technologies can meet the increased demand by making the grids more efficient, reliable, and resilient. A smart meter is an electronic device that provides detailed consumption data including smart grid status. Smart meter use encourages better energy habits, reduces electricity bills, and improves Quality of Service (QoS).

There are many local radio stations to choose from in Grand Cayman, Cayman Brac and Little Cayman. In 2022, DMS Broadcasting launched Bobo, CayCountry and Magic, adding to an already great selection of music and talk shows.
