Промышленные аккумуляторные батареи fiamm (Италия) Добро пожаловать на сайт компании ООО
"FIAMM Industrial RUS" - официальный дистрибьютор стационарных аккумуляторов fiamm
(Италия) в России и СНГ

FIAMM Energy Technology is a multinational company engaged in the production and distribution of
batteries and accumulators for motor vehicles and for industrial use born following the separation from
FIAMM Group of the business of automotive batteries and industrial batteries with lead-acid technology. To
be closer to the needs of customers ...

Finding an adequate response for growing energy demands has been a real challenge for FIAMM. Its victory
has a name. TITANIUM. In order to cater for today's most demanding drivers, FIAMM proposes a product
able to offer a precise and timely response to demands for comfort, reliability and security. batteries . Open the
catalog to page 2

fiamm fat range use agm (absorbed glass mat) technology. the electrolyte is absorbed in fiberglass separators
with 99% internal gas recombination efficiency. blocs are grants non-spillable and maintenance free therefore
requires no topping up of electrolyte during its whole life. low self-discharge allows 6 months shelf life.
battery type ...
