

After 20 years of steady growth in its Renewable Energies business unit, Hawe Group has made this acquisition as important strategic step in strengthening its market position as an innovative partner for hydraulic drives and mechatronic controls in plants for generating energy from wind, sun, and water.

Hawe Holding has signed a contract for the acquisition of the business units Fritz Schur Energy (FSE) and Fritz Schur Technik (FST) from Fritz Schur Technical Group. Hawe Hydraulik takes over all activities and the associated product range, including 112 employees, at the four existing locations as of 16.03.2022.

Mit der FSE (ehemals Fritz Schur Energy) fokussierte das Unternehmen die Entwicklungs- und Montagetechniken ab 2002 auf die Bedürfnisse von Windenergieanlagen Herstellern. Auch im Aftermarket war sie mit einem großen Portfolio an Analysegeräten und Serviceleistungen für ihre Kunden weltweit aktiv.
