Grameen Shakti Microfinance Services Private Limited (GSMS) is a microfinance institution that provides microfinance services to low-income women in India. GSMS commenced operations in 2016 and is headquartered in Kolkata, West ...

When Grameen Shakti was founded as the first renewable energy service company in rural Bangladesh, few people expected it would succeed. The problems of providing solar electricity to villagers who for generations had not known electric lighting was considered too difficult; the people in rural communities too poor. In many ways the critics were right.
