

What's new at Sunlight's Xanthi battery plant?

Specialist battery company Sunlight, a member of Olympia Group, will significantly increase manufacturing capacity and create new jobs at its state-of-the-art plant in Xanthi, northern Greece, following a EUR25 million, 10-year loan from the European Investment Bank (EIB) which was confirmed earlier in Athens today.

How much money is being invested in lithium-ion batteries?

An additional EUR20m is being invested in the production of lithium-ion batteries, with the installation of three highly automated assembly lines for lithium modules and complete lithium battery systems, as well as one assembly line for prototyping and R&D purposes.

How much money does Sunlight get for a lithium-ion battery project?

Image: SUNLIGHT. A EUR105 million (US\$127.6 million) push to develop low-cost, environmentally-friendly lithium-ion battery technology by Sunlight, a designer and manufacturer of batteries headquartered in Greece, will receive EUR49.9 million in grant funding.

What will Sunlight's lithium battery technology be used for?

A company spokesperson told Energy-Storage.news today that Sunlight wants the lithium battery technologies it develops to play a key role in areas including automated guided vehicles, electric buses and shipping, as well as in "smart storage systems for renewable energy sources".

How will the Xanthi upgrade affect lead-acid battery production?

The upgrade will increase annual production capacity of lead-acid motive power products from 4GWh to 5.3GWh gradually until Q3 2022 and will render the Xanthi-based manufacturing unit the largest in the world for industrial, motive, lead-acid batteries.

A EUR105 million (US\$127.6 million) push to develop low-cost, environmentally-friendly lithium-ion battery technology by Sunlight, a designer and manufacturer of batteries headquartered in Greece, will receive EUR49.9 million in grant funding.

Read about Sunlight's announcement on the expansion of its lithium-ion batteries production capacity up to 3.2GWh a year via the installation of four automatic assembly lines across company facilities in Greece and the USA.

The lithium-ion battery pack features superior pack construction, electronics, and performance providing users more work per charge and more work over pack life than any battery on the market. View Product. M18 18V Lithium-Ion Cordless ...

Greece-based battery manufacturer Sunlight Group has secured a EUR140 million (US\$136 million) loan for

its manufacturing and R& D investments. The EUR140 million syndicated bond loan is made up of EUR87.5 million in Recovery and Resilience Facility funds, the EU-wide programme to mitigate the negative effects of the Covid pandemics and EUR52.5 ...

Your battery has a massive responsibility of giving electrical power to your vehicle and allowing it to start effectively. You can easily put white lithium grease on the battery terminals of your vehicle to prevent moisture from coming in. It would essentially absorb most of the moisture and push it back out of the vehicle. Spark Plugs

Greek battery maker Sunlight Group, part of Olympia Group, last week reported a 54% rise in 2021 turnover and said it is pushing with its EUR-560-million (USD 581.5m) five-year investment plan.

Buy Lincoln 1264 PowerLuber 12 Volt Battery Powered Grease Gun with 30" Hose for Automotive, Agricultural, and Industrial Equipment, 8,000 PSI, Trigger-operated, Single Speed, (2) Lithium-Ion Battery Pack: Grease Guns - Amazon FREE DELIVERY possible on ...

Honestly, the property of an anti-corrosive spray isn't an electrical conductor. Yet, it's still an ideal safeguard because it won't obstruct the output of your battery connections. Lithium Grease. Lithium grease is another anti corrosion grease for battery terminals that may be used as a substitute. It is considered a white and all ...

This cordless lithium-battery powered gun makes it much, much easier and less time consuming. While this grease gun is heavier and larger it makes up for that by being convenient and easy to use. A shoulder strap is ...

The 12-volt Cordless Lithium-Ion Grease Gun Kit provides up to 25% more pressure and best-in-class runtime, delivering up to 8,000 PSI for heavy-duty applications. ... M12(TM) Lithium-ion Battery Charger (48-59-2401) (1) M12(TM) ...

Greece-based battery manufacturer Sunlight Group has secured a EUR140 million (US\$136 million) loan for its manufacturing and R& D investments. The EUR140 million syndicated bond loan is made up of EUR87.5 ...

The 18V LXT Grease Gun Kit (XPG01S1) is an ideal cordless solution for the workshop or garage. The powerful Makita-built motor delivers up to 10,000 PSI of max pressure. With a maximum flow rate of 10 oz. per minute, users can work faster. There are two speed modes, low and auto-speed, that are adjusted by a variable speed trigger. A lock-on button provides ...

Sunlight Group Energy Storage Systems (Sunlight Group) a technology company specializing in innovative industrial mobility and energy storage systems, announces the expansion of its lithium-ion batteries production capacity up to 3.2GWh a year via the installation of four automatic assembly lines across company facilities in Greece and the USA.
