

Green energy battery co ltd Dominican Republic

Green Energy Battery Co., Ltd. With experienced sales and engineering professionals, we strive to provide customized power solution to meet special needs of customers across the globe. Our normal business hours is from 8: 30 AM to 5: 30 PM, Monday to Friday. Tel: (00)86-755-28683619. Postcode: 518100

Construction has started on the first major solar-plus-storage project in the Dominican Republic, which features a 24.8MW/99MWh battery energy storage system (BESS). The Comisi n Nacional De Energia (CNE) of the Dominican Republic announced the start of work on the Dominicana Azul solar project shortly in late December (22 December).

Company profile for installer Green Energy Lati noameri cana S.R.L. - showing the company's contact details and types of installation undertaken.

Green Energy Battery Co., Ltd. (short for GEBC) is a national high-tech enterprise specializes in the R& D, manufacture and sales of high-energy lithium battery. Our main products include 12V-96V smart lithium battery pack, smart lithium battery pack and 3.6V lithium thionic chloride battery.

The Dominican Republic's national energy commission CNE has granted a definitive concession for the construction and operation of a 49.98-MW/60.04-MWp solar farm equipped with a battery energy storage system (BESS).
