**RFQ Package:** Interested parties can obtain the Request for Qualification (RFQ) package by making a payment of 3,500 Kuwaiti Dinars. The deadline for purchasing the RFQ package is 22nd Feb 2024. **Submission Deadline:** Applicants must upload all required elements onto the electronic portal by noon on 7th March 2024.

The Al Dibdibah Power and Al Shagaya plant lies within the administrative boundary of Jahra Governorate in the west of Kuwait City, approximately 100 km from the capital. On completion, it will boast a net power capacity of 1,100 MW.

The Project will export the output from the plant to Kuwait's electricity grid and transmission network. The Project will benefit from Power Purchase Agreement (the "PPA") with MEWRE as the off taker for a 30-year term.

The successful bidder will be responsible for the project's construction, operation, maintenance, and transfer, including power, electricity, and water desalination facilities. The project will connect to Kuwait's electricity grid under a 30-year power purchase agreement (PPA) with MEWRE.
