

Legend green energy solutions San Marino

Legend Green Energy Solutions is at the forefront of transforming Dubai's energy landscape with innovative solutions. Specializing in sustainable practices, the company pioneers the installation of cutting-edge EV chargers, catering to the growing demand for electric vehicles in the city.

Legend Energy Solutions, a key entity within the Legend Holding Group, stands poised to lead the green energy industry. Our unwavering commitment revolves around delivering pioneering and sustainable solutions that transcend industry standards.

The company will compensate for the energy used in Rallylegend Village with electric energy supplied by solar panels, 100% green and produced by Enerlight at its plant, for a carbon neutral Rallylegend.
