

AC200PL can accept up to 1,200W of solar panels input, which makes this model compatible with higher powered rigid frame solar panels as well as Bluetti's foldable panels. Designed for extremely long life, AC200PL battery will deliver over 3,500 charging cycles, retaining at least 80% of original capacity.

In Malta the grid belongs to Enemalta Corporation. With an on-grid system, there is an option to add an energy storage system (known as a battery system). The electricity generated by the PV system will either be consumed by the household or sold to the grid.
