

Mayotte belintra storage system

What are the benefits of a belintra storage and transport system?

The BELINTRA storage and transport system eliminates stacking, which reduces the chance for tears, cuts and holes. This enhances clinical confidence and reduces costs, time and labor associated with reprocessing. It also increases efficiencies, is more ergonomic and features aseptic opening.

What is Halyard Health and Belintra?

Halyard Health and Belintra have teamed up to offer the only sterilization packaging and logistics solution available on the market. In an unprecedented initiative to protect patients from infection during surgery, they ensure the sterility of surgical instruments.

Which devices can be connected to the belintra cows & medicarts with it?

Belintra's COWs and Medicarts with IT have already been equipped with Mini PCs, All-In-Ones, and Thin Clients from DELL, HP, Lenovo, etc. They can also be connected to various screens, scanners, keyboards, and mice. All devices and combinations are checked for compatibility and feasibility by Belintra's R&D team.
