

Energy Laboratories, Inc., the leader in chemical and environmental analysis for companies throughout North America. Our depth of knowledge and years of experience means we can meet the full spectrum of analytical testing needs for water, waste, soil, air and petroleum products.

About Us. Founded in 1952, Energy Laboratories, Inc. (ELI) provides independent, quality-controlled, and confidential analytical services. With four laboratories, across Montana and Wyoming, ELI is equipped to meet the analytical needs of mining companies, oil & gas operations, petroleum refining, electrical utilities, industrial and manufacturing firms, large and small ...
