Who is Sun arc solar?

Sun Arc Solar offers reliable and cost-effective solar panel installation for your home. Our family-run business ensures quality and personalised service for every home across Ireland. Are your energy bills weighing you down? Sun Arc Solar has the solution for you!

What is Sun arc solar's CSR programme?

At Sun Arc Solar, we believe in giving back to the community and taking responsibility for the impact we have on our surroundings. In line with this belief, we have launched our CSR programme, with a mission to educate and sponsor the youths of today. Our focus is on promoting sustainable energy by providing workshops for schools around Ireland.

Why should you choose Sun arc solar?

Sun Arc Solar has the solution for you! Our panels are durable and long-lasting, able to withstand harsh weather conditions and provide reliable energy for farming operations. With our in-house Agriculture consultant, we ensure that your transition to solar energy is a smooth process. You take care of your farm and we will take care of your solar!

How did solar power work in Gaza?

We renovated 20 desalination plants that provided 15,000 Liters/day across the Gaza strip by deploying solar systems to power them. We installed tens of solar systems to support nebulizers and electric mattresses, in homes with disabled individuals. We installed solar street lights in communities serving more than 7000 people.

Solar power utilizes the sun's thermal energy by way of solar panels for heating or to generate electricity. i In Palestine, despite the restrictions imposed by the occupation, sun energy has ...
