Where are the Cocos Keeling Islands?

Situated 2750 kilometres northwest of Perth, Western Australia, the Cocos Keeling Islands (Cocos) are a group of coral islands that form two atolls. Only two of the 27 islands are inhabited - the rest are waiting for you to explore them. A tropical oasis, a holiday on Cocos offers an undeveloped, relaxed getaway with balmy temperatures year-round.

Why are the Cocos Islands called the Keeling Islands?

The territory's dual name (official since the islands' incorporation into Australia in 1955) reflects that the islands have historically been known as either the Cocos Islands or the Keeling Islands. The territory consists of two atolls made up of 27 coral islands, of which only two - West Island and Home Island - are inhabited.

Who inhabited the Cocos Keeling Islands?

Image credit: @cocoskeelingislands via Instagram Discovered in 1609 by British sea captain William Keeling, the Cocos Keeling Islands remained uninhabited until the early 19th century. Scottish merchant John Clunies-Ross was one of the first to settle here, setting up a copra plantation with Malay workers.
