How do I contact Titan solar power?

Thank you for visiting Titan Solar Power. For any information or assistance, please reach out to info@titansolarpower.com.

How does Titan sell solar systems?

These dealers sold solar systems on behalf of Titan, which then managed the installations. The financial arrangement involved a pricing model, where Titan charged a fee for the completion of the project, and dealers kept the remaining amount as their commission.

How did Titan solar power start?

Titan Solar Power had established itself through a vast Solar Dealer program, partnering with many solar sales organizations. These dealers sold solar systems on behalf of Titan, which then managed the installations.

What happened to Titan solar?

While this model is beneficial, there were problems with implementation that led to Titan Solar's demise. Dealers began to report numerous issues with Titan Solar's operations. Common complaints included a lack of communication, extensive installation delays, and, in some cases, alleged project abandonment.
